

Dear friends,

It's 2021 and we're back after another lockdown and as usual we're doing our bit to help stop the spread of this horrible virus.

We have made a thorough risk assessment and we are as certain as we can be that we are operating in an environment that is safe for you and our staff.

However, our style of service has changed for the moment and you will need to be patient and bear with us while we try our best to look after you.

We will need your help to make this happen.

- You **MUST** wear a facemask when you venture indoors to use the toilets. This is a legal requirement.
- **Everyone** over the age of 16 is legally obliged to check in by scanning the track & trace code on the back of this page into your smart device. If you don't have a smartphone we can take your details the old fashioned way with some parchment and a quill. We understand this is annoying but it is a legal requirement. Despite what has been circulated in the media we will **NOT** use your information for marketing purposes and will destroy the information after 21 days.
- Find an available table – tables already reserved will have a plate on them - then patiently wait. Bar service is not legally allowed for the time being.
- We will come and take a drink order and food as well if you're ready. Please take advantage of setting up a tab for payment. The less exchanging of cards or cash is safer and will also speed up the process.
- Try and use cards for payment and use contactless if possible.
- The 'rule of 6' applies: up to 6 around one table from any number of households, more than 6 from **no more than** 2 households. Children of all ages count towards the numbers.
- Please don't move the chairs or tables. We've set them out so as to maintain social distancing as much as possible.
- We love kids but they can't run around like the 'good' old days. Please keep them in check.
- Always try and book a table if you're going to dine with us. We get quite busy during the 'traditional' eating times and we're open all day so why not have a more relaxed experience outside of the busier times?

Above all, try to R.E.L.A.X. Things are going to be a lot slower in our pubs for some time especially now that table service is mandatory so take the time to enjoy socialising (distantly). Be nice to the staff and be nice to each other.

# Check in now

**NHS**  
Test and Trace

Before entering, everyone must scan with the NHS COVID-19 app or provide their name and contact details

**The Bull and Dog**

Bull & Dog Inn, Coton, SY13 2RA

The NHS COVID-19 app is shown to help stop the spread of COVID-19.

Protect your loved ones. Use the app.
